

## Specification Sheet

|                          |                                                    |
|--------------------------|----------------------------------------------------|
| Product Name:            | <b>2,8-Dibromoindeno[1,2-b]fluorene-6,12-dione</b> |
| Specifications & Purity: | ≥98%                                               |
| SKU #                    | <b>D404154</b>                                     |

| Parameter                    | Limit Values                                  |
|------------------------------|-----------------------------------------------|
| Appearance(D404154)          | Orange to Brown to Dark red powder to crystal |
| Carbon by Elemental Analysis | 52.37-55.6 (%)                                |
| Infrared spectrum            | Conforms to Structure                         |
| Purity(As C)                 | 98-100 (%)                                    |
