

## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>DS-1001b (DS 1001)</b> |
| Specifications & Purity: | <b>≥98%</b>               |
| SKU #                    | <b>D414241</b>            |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 98-100 (%)            |
| Fluorine NMR Spectrum    | Conforms to Structure |
| Proton NMR spectrum      | Conforms to Structure |
| LC-MS for identification | Conforms              |
