## Specification Sheet

|                          |                         |
|--------------------------|-------------------------|
| Product Name:            | <b>Dehydrocorydalin</b> |
| Specifications & Purity: | 98%                     |
| SKU #                    | <b>D418600</b>          |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Proton NMR spectrum | Conforms to Structure |
| Purity(HPLC)        | 98-100 (%)            |
