## Specification Sheet

Product Name: **Dextran Sulfate,from Leuconostoc**  
Specifications & Purity: average mol wt >500,000 (dextran starting material)  
SKU #: **D420136**

Parameter	Limit Values
Solubility(10% solution)	Clear to light yellow solution
Loss on drying	≤10 (%)
pH(1% solution)	5.0-7.5
Sulfur by Elemental Analysis(Anhydrous)	16-20 (%)
Specific optical rotation(C=6 in water,20°C)	90-105 (°)
