

ALADDIN SCIENTIFIC CORPORATION

14078 Meridian Parkway, Riverside, CA. 92518

## Specification Sheet

Product Name: **5,7-Dichloro-1-indanone**  
Specifications & Purity: **97%**  
SKU #: **D469228**

| Parameter           | Limit Values                                                                                   |
|---------------------|------------------------------------------------------------------------------------------------|
| Purity(GC)          | 97-100 (%)                                                                                     |
| NMR Spectrum 1H     | Conforms to Structure                                                                          |
| Appearance(D469228) | White to Beige and Faint Brown to Brown Solid,Powder,Crystals,Crystalline Powder and/or Chunks |
