

## PRODUCT IDENTITY

|                 |                        |                |                                                                              |
|-----------------|------------------------|----------------|------------------------------------------------------------------------------|
| PRODUCT NAME    | 2,6-Diethylnaphthalene | PRODUCT NUMBER | D469421                                                                      |
| Grades & Purity | 97%                    | VERSION        | 3                                                                            |
| CAS NUMBER      | 59919-41-4             | FORMULA        | C <sub>10</sub> H <sub>6</sub> (C <sub>2</sub> H <sub>5</sub> ) <sub>2</sub> |
| FORMULA WEIGHT  | 184.28g/mol            |                |                                                                              |

## ACCEPTANCE CRITERIA

| PARAMETER           | SPECIFICATION / LIMIT |
|---------------------|-----------------------|
| Purity(GC)          | 97-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
