## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>Decane-d<sub>22</sub></b> |
| Specifications & Purity: | ≥98%, ≥98 atom% D            |
| SKU #                    | <b>D474129</b>               |

| Parameter                  | Limit Values          |
|----------------------------|-----------------------|
| Isotopic purity (Atom % D) | 98-100 (%)            |
| Purity(GC)                 | 98-100 (%)            |
| NMR Spectrum 1H            | Conforms to Structure |
| GC-MS for identification   | Conforms              |
