## Specification Sheet

|                          |                                  |
|--------------------------|----------------------------------|
| Product Name:            | <b>Diethyl tetradecanedioate</b> |
| Specifications & Purity: | 99%                              |
| SKU #                    | <b>D474256</b>                   |

| Parameter         | Limit Values          |
|-------------------|-----------------------|
| Purity(GC)        | 98-100 (%)            |
| Infrared spectrum | Conforms to Structure |
