

## Specification Sheet

Product Name: **1,4-Dihydroxynaphthalene**  
Specifications & Purity: technical,  $\geq 90\%$  (HPLC)  
SKU # **D476960**

| Parameter           | Limit Values                                    |
|---------------------|-------------------------------------------------|
| Proton NMR spectrum | Conforms to Structure                           |
| Purity(HPLC area)   | 90-100 (%)                                      |
| Appearance(D476960) | Grey to Dark Grey and Brown to Dark Brown solid |
