## Specification Sheet

|                          |                                    |
|--------------------------|------------------------------------|
| Product Name:            | <b>2,3-dichloro-5-iodopyridine</b> |
| Specifications & Purity: | ≥97%                               |
| SKU #                    | <b>D635372</b>                     |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(GC)               | 97-100 (%)            |
| NMR Spectrum 1H          | Conforms to Structure |
| GC-MS for identification | Conforms              |
