Specification Sheet

| | |
|--------------------------|---------------------|
| Product Name: | Ellagic acid |
| Specifications & Purity: | 96% |
| SKU # | E102710 |

| Parameter | Limit Values |
|-----------------------|--------------------------------|
| Water by Karl Fischer | 0-12 (%) |
| Purity(HPLC) | 96-100 (%) |
| Appearance (E102710) | Yellow to Grey to Brown Powder |
| Proton NMR spectrum | Conforms to Structure |
