|                          |                                          |
|--------------------------|------------------------------------------|
| Product Name:            | <b>Ethyltriphenylphosphonium bromide</b> |
| Specifications & Purity: | 98%                                      |
| SKU #                    | <b>E110246</b>                           |

| Parameter                       | Limit Values                          |
|---------------------------------|---------------------------------------|
| Melting point                   | 206-210 (°C)                          |
| Purity (Argentmetric Titration) | 97.5-102.5 (%)                        |
| Loss on drying                  | 0-1 (%)                               |
| Appearance (E110246)            | White to Off-White Powder or Crystals |
| Infrared spectrum               | Conforms to Structure                 |
| Proton NMR spectrum             | Conforms to Structure                 |
| Solubility in MeOH              | almost transparency                   |
