

Specification Sheet

Product Name: **Ethanesulfonic acid**
Specifications & Purity: 90%
SKU # **E113372**

Parameter	Limit Values
Purity(Neutralization titration)	90-100 (%)
Density (20°C)	1.337-1.346
Appearance (E113372)	colorless to yellow to brown liquid
Proton NMR spectrum	Conforms to Structure
