## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>trans-11-Eicosenoic acid</b>         |
| Specifications & Purity: | analytical standard, $\geq 98.0\%$ (GC) |
| SKU #                    | <b>E115175</b>                          |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 98-100 (%)            |
| Infrared spectrum   | Conforms to Structure |
| Proton NMR spectrum | Conforms to Structure |
