

ALADDIN SCIENTIFIC CORPORATION

14078 Meridian Parkway, Riverside, CA. 92518

## Specification Sheet

Product Name: **Ethyl 3-hydroxyhexanoate**  
Specifications & Purity: **>98.0%(GC)**  
SKU #: **E117524**

| Parameter                          | Limit Values          |
|------------------------------------|-----------------------|
| Density (20°C)                     | 0.974-0.978           |
| Purity(GC)                         | 98-100 (%)            |
| Refractive index n <sub>20/D</sub> | 1.427-1.431           |
| Mercury (Hg)                       | 0-1 (ppm)             |
| Cadmium(Cd)                        | 0-1 (ppm)             |
| Lead(Pb)                           | 0-10 (ppm)            |
| (As)Arsenic                        | 0-3 (ppm)             |
| Appearance (E117524)               | Colorless Liquid      |
| Infrared spectrum                  | Conforms to Structure |
