## Specification Sheet

|                          |                                  |
|--------------------------|----------------------------------|
| Product Name:            | <b>Ethyl 1-Methylpipercolate</b> |
| Specifications & Purity: | >97.0%(T)                        |
| SKU #                    | <b>E156318</b>                   |

| Parameter                   | Limit Values          |
|-----------------------------|-----------------------|
| Purity(GC)                  | 95-100 (%)            |
| Purity(NonaqueousTitration) | 97-100 (%)            |
| Proton NMR spectrum         | Conforms to Structure |
