

## Specification Sheet

|                          |                               |
|--------------------------|-------------------------------|
| Product Name:            | <b>Ethyl Acetylsalicylate</b> |
| Specifications & Purity: | ≥98%                          |
| SKU #                    | <b>E156530</b>                |

| Parameter                | Limit Values                              |
|--------------------------|-------------------------------------------|
| Appearance(E156530)      | Colorless to Yellow to Green clear liquid |
| Purity(GC)               | 98-100 (%)                                |
| NMR Spectrum 1H          | Conforms to Structure                     |
| GC-MS for identification | Conforms                                  |
