

## Specification Sheet

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Product Name:            | <b>Ethyl 4-methylidenecyclohexane-1-carboxylate</b> |
| Specifications & Purity: | ≥96%                                                |
| SKU #                    | <b>E181552</b>                                      |

| Parameter                | Limit Values                     |
|--------------------------|----------------------------------|
| NMR Spectrum 1H          | Conforms to Structure            |
| Appearance(E181552)      | Colorless to light yellow Liquid |
| Purity(GC)               | 96-100 (%)                       |
| GC-MS for identification | Conforms                         |
