

Specification Sheet

Product Name: **Elastin from pig**
Specifications & Purity: research and development (R&D) level
SKU #: **E301782**

Parameter	Limit Values
Appearance(E301782)	Pale brown yellow solid, spongy or granular powder
solubility in water(25°C),≤5min,Solubility-Min	Pass
pH	6-8
Molecular Weight	600000-700000 (Da)
