## Specification Sheet

|                          |                                             |
|--------------------------|---------------------------------------------|
| Product Name:            | <b>3-Ethyl-2-methylbenzoxazolium iodide</b> |
| Specifications & Purity: | 97%                                         |
| SKU #                    | <b>E334734</b>                              |

| Parameter                | Limit Values                                            |
|--------------------------|---------------------------------------------------------|
| NMR Spectrum 1H          | Conforms to Structure                                   |
| LC-MS for identification | Conforms                                                |
| Purity(HPLC area)        | 97-100 (%)                                              |
| Appearance(E334734)      | White to Light yellow to Light orange powder to crystal |
