

## Specification Sheet

|                          |                                                                             |
|--------------------------|-----------------------------------------------------------------------------|
| Product Name:            | <b>Ethyl 4-(4-fluorophenyl)-6-methyl-2-(1H,3H)-pyrimidone-5-carboxylate</b> |
| Specifications & Purity: | 95%                                                                         |
| SKU #                    | <b>E338633</b>                                                              |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Melting point       | 180-187 (°C)          |
| Purity(HPLC)        | 95-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
| FNMR spectrum       | Conforms to structure |
