## Specification Sheet

Product Name: **ethyl 4-(1H-indol-3-yl)-2,4-dioxobutanoate**  
Specifications & Purity:  
SKU # **E390168**

| Parameter                | Limit Values                                                                    |
|--------------------------|---------------------------------------------------------------------------------|
| Purity(HPLC area)        | 95-100 (%)                                                                      |
| LC-MS for identification | Conforms                                                                        |
| Appearance(E390168)      | white to off-white to yellow or light-brown to brown,powder or solid or crystal |
| Proton NMR spectrum      | Conforms to Structure                                                           |
