## Specification Sheet

|                          |                                |
|--------------------------|--------------------------------|
| Product Name:            | <b>Evacetrapib (LY2484595)</b> |
| Specifications & Purity: | 10mM in DMSO                   |
| SKU #                    | <b>E408279-1ml</b>             |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
