

## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>Elesclomol (STA-4783)</b> |
| Specifications & Purity: | 10mM in DMSO                 |
| SKU #                    | <b>E408561-1ml</b>           |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
