## Specification Sheet

|                          |                                               |
|--------------------------|-----------------------------------------------|
| Product Name:            | <b>Ethyl 3-aminobenzoate methanesulfonate</b> |
| Specifications & Purity: | 10mM in DMSO                                  |
| SKU #                    | <b>E426689-1ml</b>                            |

| Parameter                                | Limit Values  |
|------------------------------------------|---------------|
| Concentration                            | 9-11 (mmol/L) |
| Appearance(Colorless Transparent Liquid) | Pass          |
| Record the entire process by video       | Conform       |
