## Specification Sheet

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| Product Name:            | <b>Exosome Assay Kit (ELISA Sandwich Method)</b> |
| Specifications & Purity: | BioReagent, sterile                              |
| SKU #                    |                                                  |

### Parameter

Appearance (E778166B)

Appearance (E778166C)

Appearance (E778166D)

Appearance (E778166E)

Appearance (E778166F)

Appearance (E778166G)

Appearance (E778166H)

Seal Integrity Testing

Exosome Detection and Quantification

### Limit Values

Yellow transparent liquid

Red liquid

Yellow transparent liquid

Yellow transparent liquid

Yellow transparent liquid

Yellow transparent liquid
