

## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>Fast Red 3 GL Salt</b> |
| Specifications & Purity: | Biological stain          |
| SKU #                    | <b>F113035</b>            |

| Parameter            | Limit Values                          |
|----------------------|---------------------------------------|
| Assay                | 80-100 (%)                            |
| Appearance (F113035) | Pale yellow to purple powder or solid |
| Proton NMR spectrum  | Conforms to Structure                 |
