## Specification Sheet

|                          |                         |
|--------------------------|-------------------------|
| Product Name:            | <b>Fmoc-Lys(Dnp)-OH</b> |
| Specifications & Purity: | 98%                     |
| SKU #                    | <b>F116835</b>          |

| Parameter                  | Limit Values          |
|----------------------------|-----------------------|
| Purity(HPLC)               | 98-100 (%)            |
| Purity (Titration by NaOH) | 97.5-102.5 (%)        |
| Proton NMR spectrum        | Conforms to Structure |
