

## Specification Sheet

|                          |                                 |
|--------------------------|---------------------------------|
| Product Name:            | <b>3-Fluoropyridine N-oxide</b> |
| Specifications & Purity: | 98%                             |
| SKU #                    | <b>F136706</b>                  |

| Parameter            | Limit Values                        |
|----------------------|-------------------------------------|
| Melting point        | 65-68 (°C)                          |
| Purity(HPLC)         | 98-100 (%)                          |
| Appearance (F136706) | White to yellow or pale brown solid |
| Proton NMR spectrum  | Conforms to Structure               |
