|                          |                                                                 |
|--------------------------|-----------------------------------------------------------------|
| Product Name:            | 2-[2-(Furan-2-yl)vinyl]-4,6-bis(trichloromethyl)-1,3,5-triazine |
| Specifications & Purity: | ≥95%                                                            |
| SKU #                    | F156610                                                         |

| Parameter           | Limit Values                                      |
|---------------------|---------------------------------------------------|
| Appearance(F156610) | Light orange to Yellow to Green powder to crystal |
| Purity(HPLC area)   | 95-100 (%)                                        |
| Melting point       | 140-144 (°C)                                      |
| NMR Spectrum 1H     | Conforms to Structure                             |
