## Specification Sheet

|                          |                      |
|--------------------------|----------------------|
| Product Name:            | <b>Fumaronitrile</b> |
| Specifications & Purity: | ≥98%                 |
| SKU #                    | <b>F156668</b>       |

| Parameter            | Limit Values                               |
|----------------------|--------------------------------------------|
| Purity(GC)           | 98-100 (%)                                 |
| Melting point        | 95-99 (°C)                                 |
| Appearance (F156668) | white to tan powder,crystals and/or chunks |
| Proton NMR spectrum  | Conforms to Structure                      |
