## Specification Sheet

|                          |                         |
|--------------------------|-------------------------|
| Product Name:            | <b>Fmoc-Lys(Mca)-OH</b> |
| Specifications & Purity: | 95%                     |
| SKU #                    | <b>F170068</b>          |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 95-100 (%)            |
| LC-MS for identification | Conforms              |
| NMR Spectrum 1H          | Conforms to Structure |
