

## Specification Sheet

|                          |                                           |
|--------------------------|-------------------------------------------|
| Product Name:            | <b>5-Fluoro-2-hydroxy-3-nitropyridine</b> |
| Specifications & Purity: | 97%                                       |
| SKU #                    | <b>F181335</b>                            |

| Parameter                | Limit Values                                |
|--------------------------|---------------------------------------------|
| Purity(HPLC)             | 97-100 (%)                                  |
| Appearance (F181335)     | Pale yellow solid or White to Yellow Powder |
| Proton NMR spectrum      | Conforms to Structure                       |
| LC-MS for identification | Conforms                                    |
