

## Specification Sheet

|                          |                  |
|--------------------------|------------------|
| Product Name:            | <b>Ferutinin</b> |
| Specifications & Purity: | ≥98%             |
| SKU #                    | <b>F276240</b>   |

| Parameter           | Limit Values             |
|---------------------|--------------------------|
| Appearance(F276240) | White to off-white solid |
| Proton NMR spectrum | Conforms to Structure    |
| Purity(HPLC)        | 98-100 (%)               |
