## Specification Sheet

|                          |                                                    |
|--------------------------|----------------------------------------------------|
| Product Name:            | <b>(Z)-4-Bromo-5-(brommethylen)-2(5H)-furanone</b> |
| Specifications & Purity: | Moligand™, ≥98%                                    |
| SKU #                    | <b>F287587</b>                                     |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| NMR Spectrum 1H          | Conforms to Structure |
| GC-MS for identification | Conforms              |
| Purity(GC)               | 98-100 (%)            |
