## Specification Sheet

|                          |                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------|
| Product Name:            | <b>Fructosyl Glycine <math>\alpha/\beta</math> Mixture (Mixture of Diastereomers)</b> |
| Specifications & Purity: | <b><math>\geq 95\%</math></b>                                                         |
| SKU #                    | <b>F336554</b>                                                                        |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 95-100 (%)            |
| NMR Spectrum 1H          | Conforms to Structure |
| LC-MS for identification | Conforms              |
