

## Specification Sheet

|                          |                                                          |
|--------------------------|----------------------------------------------------------|
| Product Name:            | <b>Fmoc-(R)-3-amino-3-(2-fluorophenyl)propionic acid</b> |
| Specifications & Purity: | 98%                                                      |
| SKU #                    | <b>F337988</b>                                           |

| Parameter                                               | Limit Values          |
|---------------------------------------------------------|-----------------------|
| Purity(HPLC area)                                       | 98-100 (%)            |
| NMR Spectrum 1H                                         | Conforms to Structure |
| FNMR spectrum                                           | Conforms to structure |
| Specific Rotation $[\alpha]_{20/D}(c=1 \text{ in DMF})$ | 23-26 (°)             |
