

## Specification Sheet

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| Product Name:            | <b>4-Fluorophenylboronic acid(contains varying amounts of Anhydride)</b> |
| Specifications & Purity: | 98%                                                                      |
| SKU #                    | <b>F396105</b>                                                           |

| Parameter           | Limit Values                      |
|---------------------|-----------------------------------|
| Proton NMR spectrum | Conforms to Structure             |
| Purity(HPLC)        | 98-100 (%)                        |
| Appearance(F396105) | white to brown crystals or powder |
| Melting point       | 260-265 (°C)                      |
