

## Specification Sheet

Product Name: **3-Fluoro-4-nitrophenol**  
Specifications & Purity: **98%**  
SKU #: **F397347**

| Parameter            | Limit Values                                 |
|----------------------|----------------------------------------------|
| Appearance (F397347) | Yellow to tan powder, crystals and/or chunks |
| Purity(GC)           | 98-100 (%)                                   |
| FNMR spectrum        | Conforms to Structure                        |
| Proton NMR spectrum  | Conforms to structure                        |
