## Specification Sheet

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Product Name:            | <b>Formic acid-<sup>13</sup>C</b>               |
| Specifications & Purity: | ≥99 atom% <sup>13</sup> C, <5% H <sub>2</sub> O |
| SKU #                    | <b>F467022</b>                                  |

| Parameter                                              | Limit Values           |
|--------------------------------------------------------|------------------------|
| Appearance(F467022)                                    | Clear colorless liquid |
| Purity (Titration by NaOH)                             | 95-102.5 (%)           |
| <sup>13</sup> C Enrichment(based on labeled precursor) | 99-100 (atom%)         |
| Water by Karl Fischer                                  | 0-5 (%)                |
