

## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>3-Fluoro-4-thiomorpholinoaniline</b> |
| Specifications & Purity: | 95%                                     |
| SKU #                    | <b>F578864</b>                          |

| Parameter             | Limit Values          |
|-----------------------|-----------------------|
| Purity(HPLC area)     | 95-100 (%)            |
| Fluorine NMR Spectrum | Conforms to structure |
| Proton NMR spectrum   | Conforms to Structure |
