## Specification Sheet

|                          |                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------|
| Product Name:            | Recombinant $\alpha$ -1,6-Fucosidase (LpAlfC)                                                           |
| SKU #:                   | F755038                                                                                                 |
| Version:                 | 1                                                                                                       |
| Source:                  | Recombinant                                                                                             |
| Specifications & Purity: | EnzymoPure™, High performance, Bioactive, ActiBioPure™, $\geq 90\%$ (SDS-PAGE), $\geq 500$ U/mg protein |
| Concentration:           | $\geq 500$ U/mg protein                                                                                 |
| Formulation:             | Liquid                                                                                                  |
| Reconstitution:          |                                                                                                         |
| Storage Conditions:      | Store at $-20^{\circ}\text{C}$ , Avoid repeated freezing and thawing                                    |

| Parameter              | Limit Values                    |
|------------------------|---------------------------------|
| Appearance(F755038)    | Colorless to light brown liquid |
| Specific activity      | $\geq 500$ (U/mg)               |
| Seal Integrity Testing | Conform                         |
