Specification Sheet

| | |
|--------------------------|------------------------|
| Product Name: | Guanine Sulfate |
| Specifications & Purity: | 98% |
| SKU # | G112478 |

| Parameter | Limit Values |
|-----------------------|--------------------------------------|
| Purity(HPLC) | 98-100 (%) |
| Appearance (G112478) | White Powder, Crystals and/or Chunks |
| Proton NMR spectrum | Conforms to Structure |
| Solubility in hot HCl | almost transparency |
| Drying loss | 7-10 (%) |
