## Specification Sheet

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Product Name:            | <b>GlcNAc<math>\beta</math>(1-3)GalNAc-<math>\alpha</math>-pNP</b> |
| Specifications & Purity: | 98%                                                                |
| SKU #                    | <b>G156787</b>                                                     |

| Parameter                    | Limit Values                            |
|------------------------------|-----------------------------------------|
| Appearance(G156787)          | White to Almost white powder to crystal |
| Purity(HPLC area)            | 98-100 (%)                              |
| Elemental analysis(Nitrogen) | 7.39-7.85 (%)                           |
| NMR Spectrum 1H              | Conforms to Structure                   |
