Specification Sheet

| | |
|--------------------------|-------------------------------|
| Product Name: | Glycine p-nitroanilide |
| Specifications & Purity: | 98% |
| SKU # | G351753 |

| Parameter | Limit Values |
|--------------------------|------------------------|
| Appearance(G351753) | White to Yellow Powder |
| Purity(HPLC area) | 98-100 (%) |
| Purity(total nitrogen) | 98-102.5 (%) |
| NMR Spectrum 1H | conforms to structure |
