

## Specification Sheet

|                          |                                        |
|--------------------------|----------------------------------------|
| Product Name:            | <b>Gly-beta-Ala-NH<sub>2</sub> HCl</b> |
| Specifications & Purity: | 97%                                    |
| SKU #                    | <b>G355814</b>                         |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC area)   | 97-100 (%)            |
| Enantiomeric Excess | 97-100 (%)            |
| NMR Spectrum 1H     | Conforms to Structure |
