## Specification Sheet

|                          |                |
|--------------------------|----------------|
| Product Name:            | <b>GNE-493</b> |
| Specifications & Purity: | 97%            |
| SKU #                    | <b>G413497</b> |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 97-100 (%)            |
| LC-MS for identification | Conforms              |
| NMR Spectrum 1H          | Conforms to Structure |
