## Specification Sheet

|                          |                                          |
|--------------------------|------------------------------------------|
| Product Name:            | <b>Glutaryl-L-carnitine lithium salt</b> |
| Specifications & Purity: | 98%                                      |
| SKU #                    | <b>G465232</b>                           |

| Parameter                                                       | Limit Values                                             |
|-----------------------------------------------------------------|----------------------------------------------------------|
| NMR Spectrum 1H                                                 | Conforms to Structure                                    |
| Purity(HPLC area)                                               | 98-100 (%)                                               |
| Water by Karl Fischer                                           | 0-10 (%)                                                 |
| Specific Rotation $[\alpha]_{20/D}(c=1 \text{ in H}_2\text{O})$ | -22--18 (°)                                              |
| Appearance(G465232)                                             | White to Off White Solid or Semi-Solid or Viscous Liquid |
