Specification Sheet

| | |
|--------------------------|---|
| Product Name: | Gelatin methacryloyl |
| Specifications & Purity: | Gel strength 300g Bloom, degree of substitution 40% |
| SKU # | G477881 |

| Parameter | Limit Values |
|-----------------------------|---|
| Appearance(G477881) | White to off white to pale yellow powder or solid or chunk(s) or fibers |
| NMR Spectrum 1H | Conforms to Structure |
| Degree of Substitution(NMR) | 35-45 (%) |
