Specification Sheet

Product Name: **DL-Homoserine**
Specifications & Purity: **99%**
SKU #: **H100541**

Parameter	Limit Values
Purity(Neutralization titration)	98.5-101.5 (%)
Melting point	188-189 (°C)
Appearance (H100541)	White powder
Infrared spectrum	Conforms to Structure
Solubility in H ₂ O , Colorless transparent solution	pass
Proton NMR spectrum	Conforms to structure
